THROUGH THE CATALYST FOR CHANGE GRANT!

The Community Foundation of Fayette County (CFFC) hosts the Gala of Giving ~ Catalyst for Change event to raise money for projects that can affect change and growth in the community. Event proceeds support bigger and bolder grants that will help to strengthen Fayette County.

In recipient of the Catalyst for Change grant, the project should incorporate county-wide impact, both in the number of people impacted by the project and the geographic region of the project's impact.

Main Street Theatre Company in partnership with the State Theatre Center for the Arts and The Fayette County Cultural Trust were honored to be awarded the first ever \$50,000 Catalyst for Change grant. It is through this sponsorship that ENCORE! A Showcase of Local Talent is produced, fostering the arts in Fayette County while sparking economic growth through the participation of 6 schools throughout the county.
